^[us] - Unknown rounds were scaled to ~250 max points each. (Unknowns weighted as 20% of the total score.)

^[pt] - "Points" (aka, regional points) are explained below.

^[pt] - Points are computed as follows:

The **first-place** pilot (for each class) gets **1,000** points. All other pilots get a prorated number of points, based on how they compare.

Note: Flights without a scale pilot and panel installed are assessed a penalty. In this report, no pilots were assessed the missing pilot/panel penalty.
